

Teacher

(\$1,500 Stipend)

Purpose of the position: Teach STEM core class or workshop to 12- and 13-year-old girls during the week of Tech Trek camp.

Teacher Selection Criteria: Teacher should be organized, prepared and have a disposition that reflects excitement for Tech Trek and STEM learning. Teachers should have a good reputation in their schools and the community as an involved educator and role model.

Responsibilities and Duties

- Provide stimulating hands-on activities and STEM focused course work
- Provide curriculum for and teach either:
 - Core class up to 3 hours a day for all 5 days of camp focused on one STEM subject all week. Core classes can build a project throughout the week of camp or have a different project each day.
 - A workshop performed once during the week for 3 hours focused on a STEM topic.
- Be familiar with camp schedule and activities
- Supervise students throughout classes and provide a safe environment for all campers
- Ensure class materials and curriculum start and finish on-time
- Act as a good role model for girls
- Communicate with other camp staff regularly and monitor challenges as they occur
- Provide opportunities for all girls to be involved in class
- Encourage and appreciate effort, celebrate and share success

Qualifications

- Teaching experience in a school setting in STEM field (multiple years preferred)
- Provide proof of background check through school system or other service
- Enjoy working with 12-13 year old girls
- Has commitment to STEM education
- Encouraging and motivating personality

Commitment Expected

- Reside on campus during the week of camp (Room and board provided by AAUW)

Training

- The Camp Director will provide training on camp policies and procedures.
