- Supervise students throughout daily activities, including classes, free-time activities and meals
- Assist in preparation of activity materials for campers, ensure activities start on-time
- Provide a safe environment by monitoring campers to ensure they are where they need to be
- Act as a good role model for campers, including warm, positive outlook and attitude
- Assist teachers during class time with projects and materials
- Communicate with other camp staff regularly and monitor challenges as they occur
- Provide opportunities for all campers to be involved in the camp activities and interact with group
- Assist other camp staff with any activity needs as they arise

## **Qualifications**

- Must be between 16 and 20 years old as of February 27th, 2026
- Ability to work as a proactive team member
- Enjoy working with 12-13 year old students, preferably with experience in similar setting
- Has commitment to STEM education
- Taken courses in STEM fields preferred
- Warm, outgoing, empathetic personality
- If age 18 or older, successfully pass a federal background check

## **Commitment Expected**

- Assist with set-up and clean-up
- Arrive to camp on-time and stay through the completion of camp (including a brief feedback session at the end)

\*Room and board provided by AAUW-WA\*

## **Training**

- An virtual Zoom Training led by camp Directing Staff

## Student Counselor Position Description

- Camp training at the host university on July 11th
- Darkness to Light sexual assault awareness training
- Other trainings that the Camp Director and Volunteer Coordinators deem necessary

*\*\*Please note that all trainings are mandatory, even if you have completed similar trainings for other companies, volunteer organizations or workplaces. Tech Trek will reimburse volunteers for Darkness to Light training upon the completion of camp.*
